Helper Helper REPORT

2019-2020 was another great year of community engagement for the members of NC State Sorority and Fraternity life. Throughout the year community engagement has been centralized through the Helper Helper app. And as the school year had a unique end with students leaving campus early due to COVID-19, we still have seen efforts being tracked remotely though Helper Helper. As always, Helper Helper is honored to work with these members to help support them in making a lasting impact.
